I am trying to get my bond reinstated so I can bond out of here, besides the food and treatment we receive here. There are maintenance issues also. Ants, cockroaches and spiders and one guy in this zone has had staff 3 times in the past month. I ~~have~~ called internal affairs on Deputy Derrick Wilton 4 months ago and now he is a sergeant here at AdC. I believe there is a conflict of interest going on between me & JCSD. My Bond is Revoked on a charge that don't come up on my record for over 80 days. I have sent numerous motions to circuit court to try to get my bond unrevoked and reduced. I am seeking any legal help I can get. I wrote the ACLU ~~its~~ also the other day as you tell by my records and the Kiork records the public defenders does not respond to any request. Thank you for any help you can give me.

I have also observed Sargent Goff poking Ernest Bolling in the chest with his finger over a discussion about us not getting fed breakfast & to the best of my knowledge was on 6-21-18 we have grievances on the book to back this up.

I Earnest Bolling III ID# 200950957  
 on 6-21-18  
 Was poked in the chest aggressively

By Sgt. Goff over and over aggressively while having a conversation over not having trays for the 2nd day in a row. Zone 20 was the

only pod that didn't get trays because of them not doing there job letting inmates getting extra trays. But I feel strongly violated of my rights and feel mentally and emotionally and cruelly violated. My 6th amendment (Cruel & unusual punishment) has been violated. Something has to be

Done. Please Thank you and god Bless
